If Only Tears Could Bring You Back

By CuteMew ^-^

\*\*

\*\*A/N:\*\* Agggghhhh! This is probably the 7th fic out there that's using the same titleâ€¦ I guess I should have avoided it, but this song was just soâ€¦ PERFECT! Well blah, anyway, somehow I associate this song with Syaoran (me luuv Syaoran ^^) I guess coz I always listen to that Pokemon CD (and I set my computer to play track 15 only! Whahahaâ€¦) when I'm using the computerâ€¦ and when I'm on the computer I'm usually surfing the net, trying to find piccys of Syaoran. ^^;; Hoe, I'm ramblingâ€¦

\*\*\*\*

\*\*Another A/N:\*\* I have had basically no contact with CCS (Card Captor Sakura) except for half of a stupid dubbed episode on WB. Blaagh. So correct me if I'm wrong in any way whatsoever, coz I probably amâ€¦

\*\*\*\*

\*\*A Third A/N:\*\* Hoe! I sure am doing a lot of these, aren't I? Okay, this isn't really a fic, it mostly goes to the storyline of the original manga published by CLAMP. Which means I'll most likely get the whole thing wrong, coz I've never actually read any mangas at

all. ^^;;

**\*\*Disclaimer:\*\*** Don't sue me. Blah blah blah, I'm making nothing out of this, blah blah blah, CCS belongs to CLAMP, blah blah blah, \_If Only Tears Could Bring You Back\_ belongs to Midnight Sons and whoever else who happens to own it.

\*\*\*\*\*

It was a cold, rainy night. Sakura had curled up on her bed, sobbing into her pillow. \_He's gone back to Hong Kong\_, she thought sadly. \_I don't even know if I'll ever see him againâ€¦|\_

—

How will I start

Tomorrow, without you here

Whose heart will guide me

When all the answers disappear

—

\_No, \_ Sakura corrected herself. \_He promised that he'd return, and I trust him. He \_will \_come back to meâ€¦|\_ But in her heart she knew there were no certainties, nothing assuring that Syaoran would return.

—

Is it too late

Are you too far gone to stay

Best friends forever

Should never have to go away

—

Salty tears silently streamed down Sakura's cheeks and dripped down onto her pillow.

—

What will I do

You know

I'm only half without you

How will I make it through

—

"Oh, Syaoran, how I wish you were back here with meâ€¦| Why did you have to leave, why?" Sakura whispered.

—  
If only tears could bring you back to me  
If only love could find a way  
What I would do, what I would give  
If you return  
To me  
Someday, somehow, some way  
If my tears could bring you back  
To me

—  
Kero flew into Sakura's room after hearing what sounded to him like someone sobbing. "Sakura? What's the matter? Why are you crying?"

"Oh, Kero," Sakura sniffled. "Li-kun he went back to Hong Kong, and I I miss him so"

—  
I've cried you an ocean  
If you'd sail on home again  
Waves of emotion  
Will carry you, I know they can

—  
Sakura got up off her bed and shakily walked toward the shelf where all her stuffed animals sat. She looked fondly at the little teddy bear that she had placed lovingly in the middle of all of them. She thought of the time when Syaoran had given it to her and smiled, blushing.

"Hmmp, why does she blush so much around that thing anyways?" Kero grumbled under his breath. "Obviously I'm much better than that old teddy bear"

Remembering that she had promised Syaoran she would name her teddy bear after him, she gently picked it up and cuddled it against her chest. "Oh Syaoran" she whispered.

—  
Just let love guide you  
And your heart will chart the course  
Soon you'll be drifting

Into the arms of your true North

—

Fresh tears formed at the corners of Sakura's eyes, overflowing and flowing down her cheeks.

—

Look in my eyes

You'll see

A million tears have gone by

And still they're not dry

—

Sakura sat back down on her bed and continued to gaze at her teddy bear. She softly brushed her fingers across its soft fur, stroking it affectionately.

—

If only tears could bring you back to me

If only love could find a way

What I would do, what I would give

If you return

To me

Someday, somehow, some way

If my tears could bring you back

To me

—

She held the teddy bear as close as she possibly could and shouted to it, "Oh Syaoran, why did you have to leave me? You don't know how much you meant to me, how much it hurt me when you left!" She sobbed harder, yelling through her tears, "Syaoran, you were always there for me when I needed you! And I care for you just as much, do you know how hard it will be for me to not know how you are, to be sure that you're all right? Because, Syaoran, I love you, you don't even know just how much I love you!"

—

I'd hold you close

And shout the words

I only whispered before

For one more chance

For one last dance

There's not a thing

That I would not endure

—

Kero looked at Sakura babbling to her teddy bear oddly. "That's it, Sakura's lost it, she thinks that her teddy bear is the kid! Talking to a stuffed animal, yep, she's definitely lost it!"

—

If only tears could bring you back to me

If only love could find a way

What I would do, what I would give

If you return

To me

Someday, somehow, some way

If my tears could bring you back

To me

—

"I love you, Syaoran."

End  
file.
